This cause coming before the Court; the Court being fully advised in the premises, and having jurisdiction of the subject matter:

Defendant: Present in person Interpreter used (See Interpreter Order)
 Present via audio/video system - (Defendant Waived / Physical Health & Safety Endangered)

Represented By: Public Defender Pro-Se Private Counsel: _____

The Court Finds that (Check all boxes that apply)

(DANGEROUSNESS STANDARD) The Court DOES find by clear and convincing evidence that:

- A. The proof is evident or the presumption great that the defendant committed a detainable offense pursuant to paragraphs (1) through (7) of 725 ILCS 5/110-6.1(a); AND
- B. The defendant's pre-trial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, by conduct which may include, but is not limited to, a forcible felony, the obstruction of justice, intimidation, injury, or abuse as defined by paragraph (1) of Section 103 of the Illinois Domestic Violence Act of 1986; or, in the case of stalking or aggravated stalking, of a victim of the alleged offense, and denial of release is necessary to prevent fulfillment of the threat upon which the charge is based; AND
- C. No condition or combination of conditions set forth in subsection (b) of Section 110-10 can mitigate the real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, for offenses listed in paragraphs (1) through (7) of subsection (a); AND
- D. For offenses under subsection (b) of Section 407 of the Illinois Controlled Substances Act that are subject to paragraph (1) of subsection (a), no condition or combination of conditions set forth in subsection (b) of Section 110-10 can mitigate the real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, and the defendant poses a serious risk to not appear in court as required.

(WILLFUL FLIGHT STANDARD) The Court DOES find by clear and convincing evidence that:

- A. The proof is evident or the presumption great that the defendant committed a qualifying offense pursuant to 725 ILCS 5/110-6.1(a)(8); AND
- B. The defendant has a high likelihood of willful flight to avoid prosecution.
- C. No condition or combination of conditions set forth in 725 ILCS 5/110-10(b) can mitigate the risk of the defendant's willful flight.

The Court's reasons for concluding the defendant should be denied pretrial release and why less restrictive conditions would not avoid a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, or prevent the defendant's willful flight from prosecution are based upon the following:
