

## **GPS MONITORING 60 DAY REVIEW**

**(i) If electronic monitoring, GPS monitoring, or home confinement is imposed, the court shall determine every 60 days if no less restrictive condition of release or combination of less restrictive conditions of release would reasonably ensure the appearance, or continued appearance, of the defendant for later hearings or protect an identifiable person or persons from imminent threat of serious physical harm. If the court finds that there are less restrictive conditions of release, the court shall order that the condition be removed. This subsection takes effect January 1, 2022.**
